PRECIO: 3.735.000€

CALLE DE GENERAL PARDIÑAS, MADRID

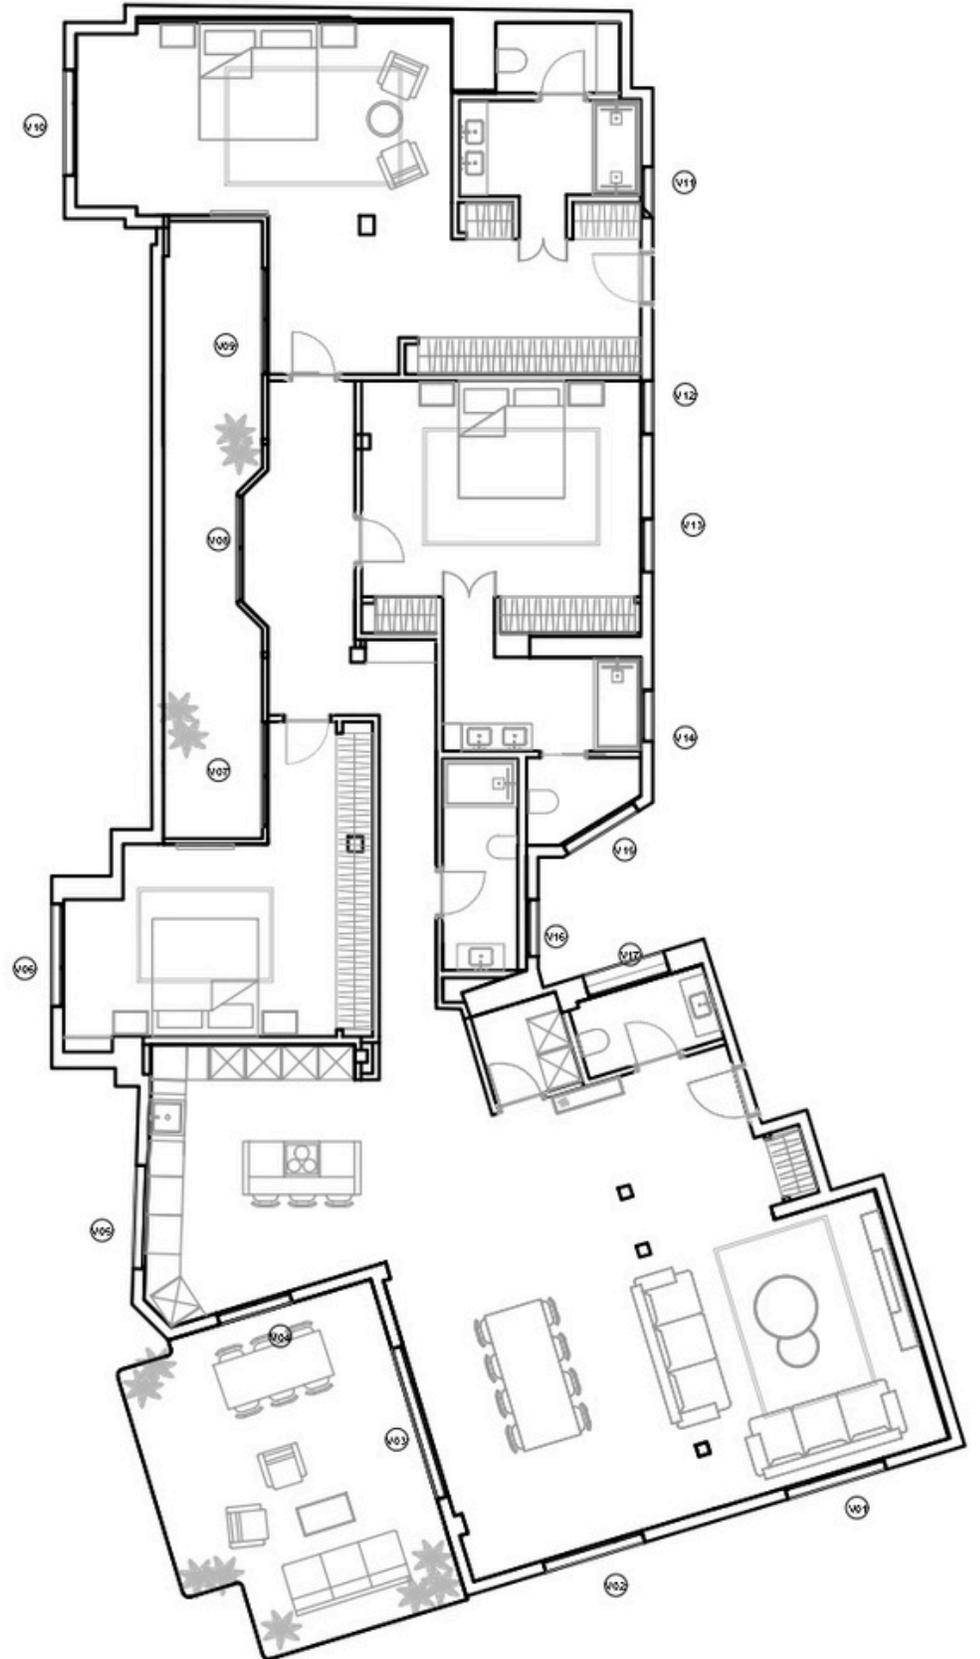

PLANO

A modern kitchen interior featuring a black marble island with a gold-colored metal frame. The island has a reflective surface that shows the reflection of an open book and a vase with green plants. In the background, there is a large window with a white blind, and several pendant lights hang from the ceiling. The overall aesthetic is clean and contemporary.
